To Our Nation's Veterans

Veterans Day, November 11, is a day set aside to honor the veterans of America's wars. We, at the credit union, would like to give a special thank you from the bottom of our hearts to the men, women, and their families who sacrifice themselves everyday for us so that we may live in the home of the free. "THANK YOU" to the men and women who presently serve and who have served in our Armed Forces. Your service to our nation is truly appreciated and shall never be forgotten.
