

With the passing of our Chairman of the Board, Gilbert Sablack, on March 2, 2012, Limestone Federal Credit Union was left with great memories. There wasn't a time when we didn't hear his distinct laugh, his always humorous jokes or the ever memorable annual meeting cash prize announcements, "We have another \$20 winner...*John Smith*...you haven't won but your wife, *Jane Smith* has!" We are so grateful to have known him as an important piece of our membership family.

While Gilbert always had a laugh or a joke, as the Chairman of the Board, he took his role very seriously and had a vested interest in the success of Limestone Federal Credit Union. He was a very important part of our organization, dedicating over 20 years to serving on the Board of Directors. He will be missed not only by the credit union but by the entire community.

Attention Limestone Legends (Members 55+)

Effective April 1, 2012, we are changing the way we process checks for our Limestone Legend members. First and foremost, your checks will remain free.

If you wish to continue ordering checks through LFCU, our staff will be happy to assist you with this. However, you will notice a difference in the process. Near the end of the month, the amount of the checks will be deducted from your account and then reimbursed within a day of the charge. You will only see a slight difference in the appearance of the checks and a major change in the shipping time. Checks should arrive within 5 days from date of order.

Also, as of April 1, 2012, you are not required to order checks through LFCU. We will reimburse up to \$8.79 per box if you choose to order checks with a different company.

If you have any questions or concerns regarding this matter, please don't hesitate to contact us at 906-341-5866. We look forward to serving you now and into the future.
