Save For Fun And Sun

Everyone knows it's important to save for that proverbial rainy day. But money experts advise it's equally important to set aside funds for the sunnier side of life. When you open a Vacation Club account at the credit union, that dream vacation can become a reality. With a Vacation Club account, you can segregate funds within your budget for fun, which can serve as a powerful motivational tool for saving. Plus, if you use an automatic transfer or payroll deduction for your deposits, saving will be simple and painless. Get the whole family involved by posting a picture of your vacation goal on the refrigerator with a container for contributions nearby; regularly deposit the money you collect into your Vacation Club account. Remember, even small amounts can add up, and before you know it, you'll be on your way to fun in the sun.

Payday Loans: Fast, Easy and Costly

The ads promise quick, easy cash to keep you whole until the end of the month and/or payday. The storefront is easy to get to. The people are friendly and seem to be genuinely concerned about helping you out of a tight spot. But know this: The neighborhood payday lender is a costly place to get a loan. You could end up owing \$1,000 or more on a \$500 loan as interest and loan renewals are added on.

Come to Limestone Federal Credit Union instead. We'll help you figure out how to get back on track, without digging yourself into a deeper hole. For example, it's possible a consolidation loan can pay off your high-interest credit cards and allow you to start tucking away funds in savings. So don't be conned by the offers of a quick solution to your money problems. Don't delay, stop by the credit union today.
